FEWEST PUTTS – INDIVIDUAL GAME:

RULES: All strokes taken after your ball is on the putting surface are counted as putts. Record the gross score to the left of the diagonal and your PUTTS to the right. Total both the Gross Score and the number of Putts. The number of putts is the game score. Subtract your HCP from your gross score to get the Net score. Players with the fewest putts will be the winners.

If the green edge is ragged and you aren't sure if your ball is on or off the green, the group must collectively agree as to whether the ball is on/off the green.

REMINDER: Pick up if you reach double par plus two (e.g. 8 strokes on a par 3, 10 strokes on a par 4, or 12 strokes on a par 5). Place an X after that score if the ball was picked up.

Gross Game – Putt Out.

Drop Zone Holes: MV-13; TP-5,6,7,10,15.
